

Stand for Metos DOME pizza oven, overturning model

A special stand for the Metos Dome pizza oven, which also serves as a transport platform. Allows the oven to be turned vertically, giving a total width of only 750 mm. This allows the oven to be transported in tight spaces.

- open stand without panels
- six feet (four of which are equipped with wheels)
- a sturdy structure that distributes the weight of the oven correctly
- gives the Dome oven an ergonomic working height
