

Transport trolley 6-1/1, 10-1/1 for Metos iCombi Pro/iCombi Classic

The transport trolley enables the easy loading and unloading of a mobile oven rack also outside of a tabletop unit as well as safe transport. The standard version perfectly matches the height for unit setup on stands. Mechanism for securely locking the transport trolley with the standard slide-in rail.

- 4 tandem castors (2 with parking brake - metal parts made from CNS)
- Inclusion of an additional mobile oven rack
- Handle for easy entry and exit of the mobile oven rack in and out of the cooking system
- Only in combination with standard slide-in rail
- Finish: Rust-free Stainless Steel (CNS 1.4301)
