

Frozen food processor

Metos Easy Giaz

Metos Hotmix Pro Easy Giaz is a cutter for frozen food, optimizing the efficiency by allowing to stock up any kind of frozen preparation and scrape/emulsify it later. It is an ideal solution for instant preparation of ice cream and sorbets, as well as creams and emulsions, featuring a perfect managing and organising system for all those recipes that are fit to be frozen and stocked in a refrigerated place. The loss is minimal as at the time only the required dose is made and the remainder stored in frozen food.

- Preparation of portions from 20g up to 80g
- Preparation of up to 10 portions (of 80g) in 60 seconds
- 6 vertical speeds and 3 rotation speeds

Included in the package:

- 2 x 1,3L beaker with lid
