

## High-pressure cleaner

# Metos Kärcher HD7/10 CXF

The HD 7/10 CXF provides impressive mobility, compactness and cleaning performance in hygiene-sensitive areas. Featuring a 15m non-marking hose on a hose reel, a tough, high performance motor and axial three-piston pump, the 7/10 CXF is built to perform in demanding environments. The CXF also features non-marking wheels, light grey covers that are easy to keep clean, and water inlet temperature of 80°C. This machine is therefore ideal for use in food preparation areas and other hygiene-sensitive areas.

- spray gun
- high-pressure hose, 15 m
- spray lance, 840 mm
- triple nozzle (0°/25°/40°), Manual
- integral high-pressure hose reel
- pressure switch control
- infinitely variable pressure and water flow control on the unit
- all parts in contact with water are made from special food-grade brass
- servo Control
- flow rate 250-700 l/h
- operating pressure 10-100/1-10 bar/MPa
- max.pressure 120/12 bar/MPa

## High-pressure cleaner Metos Kärcher HD7/10 CXF

Item width mm	360
Item depth mm	400
Item height mm	925
Package volume	0.16
Unit of volume	m3
Package volume	0.16 m3
Package length	40
Package width	42
Package height	95
Package unit of dimension	cm
Package dimensions (LxWxH)	40x42x95 cm
Net weight	36.5
Net weight	36.5 kg
Gross weight	39.2
Package weight	39.2 kg
Unit of weight	kg
Connection power kW	4.5
Connection voltage V	400
Number of phases	3NPE
Frequency Hz	50
