

Blender Metos Hamilton Beach Expeditor HBF1100S

Powerful 3.5 Hp motor provides great results in a fraction of the time. Designed with safety in mind, the lid interlock ensures the blender will not start until jar and lid are securely in place. Unique CHOP function pulses the blades to keep ingredients moving and optimize control of consistency.

- dosing cup, allows operator to add ingredients while blending
- 4 litres SS container
- memory card for custom programming
- temperature gauge helps prevent overheating
- variable speed dial adjusts the speed for maximum control
- low-profile design for improved ergonomics
- stainless steel blades
- illuminated power light
- operator selected variable speed
- CHOP cycles
- preset timer button free up operators to perform other kitchen tasks
- weighted, die-cast aluminium base with nonskid feet for improved stability

Blender Metos Hamilton Beach Expeditor HBF1100S

Product capacity	4 liters container
Capacity	4 litres heavy-duty, brushed stainless steel jug
Item width mm	226
Item depth mm	378
Item height mm	449
Package volume	0.046
Unit of volume	m3
Package volume	0.046 m3
Package length	23
Package width	40
Package height	50
Package unit of dimension	cm
Package dimensions (LxWxH)	23x40x50 cm
Net weight	8.2
Net weight	8.2 kg
Gross weight	11
Package weight	11 kg
Unit of weight	kg
Connection power kW	1.5
Connection voltage V	220-240
Number of phases	1NPE
Frequency Hz	50/60
Operation type	electronical
Cleaning	hand wash
Programmability	ready programs
Operating sequences	pulse;timer;turbo
