Wine cooler Metos SC85 Black

The wine cabinet Metos SC85 Black is designed for the aesthetically attractive display of wine bottles and for storing them at an appropriate temperature.

The wine cabinet Metos SC85 Black has a net volume of 85 litres and holds 22 x 0.75 litre bottles. The temperature of the cabinet is adjustable between +2°C...+10°C. The fans provide a constant cold air circulation throughout the cabinet. The refrigerant is environmentally friendly R600a.

The wine cooler has four wire wine shelves. LED illumination gives bright and even light and brings drinks to the fore. The exterior and interior color of the cabinet is black. Curved and tinted glass door's handedness is interchangeable. Smooth surfaces, removable shelves and automatic defrosting make it easy to keep the device clean.

- tinted glass door, whose handedness is interchangeable
- there is no lock on the door
