

Water pouring aid Metos MPT-450

Water pouring aid Metos MPT-450 fits the MPT-450 multi trolley (order separately) . In renewed kitchen the floor drain can be located in an improper place. With the water pouring aid you can direct the boiling or washing water from the kettle to the floor drain safely. There is an easily cleaned strainer in the device. It prevents the floor drain from clogging and also makes the floor drain much easier to clean. The device is made of stainless steel and can be washed in a dishwasher, it fits even in a single tank dishwasher. Water pouring aid Metos MPT-450 fits all Metos kettles.
