

Wine cooler Metos TFW200-F F Frameless

The wine cabinet Metos TFW200-F is designed for the aesthetically attractive display of wine bottles and for storing them at an appropriate temperature.

The wine cabinet Metos TFW200-F has a net volume of 141 litres and holds 48 pcs 0.75 litre bottles. The cabinet has adjustable temperature from + 5°C to + 18°C. Temperature control and display are located inside the unit. The fans provide a constant cold air circulation throughout the cabinet. The refrigerant is environmentally friendly R600a.

The wine cabinet has four wooden shelves. LED illumination gives bright and even light and brings drinks to the fore. The light has a separate switch, so closing it does not turn off cabinet cooling. The interior liner of the appliance is black-painted. The equipment has a right-handed glass door and the handle is stainless steel. The door's handedness is interchangeable. Smooth surfaces, removable shelves and automatic defrosting make it easy to keep the device clean.

- right hinged glass door , handedness is interchangeable
- frameless door
- there is no lock on the door
- capacity 48 pices/750 ml bottles
- net volume is 141 litres
- adjustable temperature from + 5° C to + 18°C
- four wooden shelves
- LED lighting
- curved handle made of stainless steel
- the interior finish is black ABS, exterior black
- four adjustable feet
- automatic defrosting
- electronic thermostat
- fan assisted cooling
- anti-vibration cooling system
- refrigerant R600a
