

## Water dispenser tap Metos Tube2

Metos Tube2 is a two-ways straight water dispenser tower tap with an elegant chromed stainless steel body with white luminous cover. Height from table to tap outlet is 332 mm and 400 mm to handle. Cut out size Ø5 cm, table thickness <10 cm.

Two taps suitable for sparkling water, room temperature water and cold water. Water filter is strongly recommended.

The delivery includes the tap. The drop-in tray, water filter cartridge, cooling machine and CO2 gas needs to be purchased separately.
