

Griddle smooth Metos Diamante D94/10TSFTEA table top model

Electric griddle Metos D94/10TSFTEA with steel plate AISI430 - smooth, is equipped with all the power, robustness and functionality you need to work efficiently.

- Tabletop version, smooth steel plate AISI430
- External coating in stainless steel with Scotch Brite finish
- 15 mm thick cooking plate totally independent of the top
- Large canal canopy along the entire perimeter of the plate for the collection of cooking residues, inclined towards the front for the decelusion of the liquids in the large drawer
- Large fat collection drawer
- Uniform cooking temperature on the whole plate. Optimizing the heat in the coach area and increasing the comfort of operators in the kitchen.
- Plate not welded to the machine with optimization of the structural points subjected to thermal stress
- Too full cap in stainlessness, equipped as standard for the management of the flooding of the canaline
- Plate not welded to speed up maintenance interventions and any replacements in users
- reduced energy power, an increase in yield per cm2 which allows a reduction in consumption up to 15% compared to traditional versions
- Heating by means of armored resistances in incoloy
- Thermostatically controlled cooking temperature and adjustable from 110 to 280 ° C
- Safety thermostat

Griddle smooth Metos Diamante D94/10TSFTEA table top model

Product capacity	plate 705x490 mm
Item width mm	800
Item depth mm	900
Item height mm	250
Package volume	2.826
Unit of volume	hl
Package volume	2.826 hl
Package length	85
Package width	95
Package height	35
Package unit of dimension	cm
Package dimensions (LxWxH)	85x95x35 cm
Net weight	125
Net weight	125 kg
Gross weight	135
Package weight	135 kg
Unit of weight	kg
Connection power kW	15
Connection voltage V	400
Number of phases	3NPE
Frequency Hz	50/60
